School Admissions Code

Admission into schools is governed by the [Schools Admission Code](#).

Where children, below compulsory school age, are offered a place at a school, they will be entitled to attend the school full-time in the September following their fourth birthday.

You may defer your child's entry to the allocated school until later in the school year, but not beyond the point at which the child reaches compulsory school age and not beyond the beginning of the final term of the school year for which the offer was made when the place will cease to be available for the child. Please discuss this with the school directly once a place has been offered.

Where you wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age. Please discuss this with the school directly once you have received an offer of a school place.

The academies do not operate a selection process and places are available for children of all abilities, irrespective of where they live. However, if the school is oversubscribed, then places are allocated based on the school's admission criteria.

Defined Catchment Area/Defined Area/Linked Area (see definition glossary at Annex B)

Applying for a School Place

When applying for a school place you must apply to the local authority where you live not the local authority area where the school is.

Buckinghamshire Council, West Northamptonshire Council and Milton Keynes Council have online forms available during the Autumn Term. For children starting school for the first time, it is advisable to look carefully at the information provided by the Local Authority and apply online by visiting the following websites:

<http://www.buckscc.gov.uk/services/education/school-admissions> for Buckinghamshire residents

<https://www.westnorthants.gov.uk/school-admissions>, for Northamptonshire residents

<https://www.milton-keynes.gov.uk/schools-and-lifelong-learning/school-admissions> - for Milton Keynes residents

The deadline for application is **15 January** of the relevant year and if you do not apply by the deadline, it may adversely affect the chance of your child being offered a place at your preferred school. **Please check when completing the application as to the exact deadline for applications to be submitted by the Local Authority to whom you are applying**

If you do not apply by the deadline your child will not be considered until after all those who applied by the deadline

The application form asks for straightforward information about you and your child. The address you should give us is your child's permanent address at the time you fill in your application. This should be where your child and you live. (see definition of home address at Annex B) If there are reasons why a child does not live at his or her parent's address, you should explain your circumstances in writing on the application form. If you are about to move into the defined catchment area of the school, an offer of a place will be on condition of providing evidence of either confirmation of legal exchange of contracts, or a lease agreement of at least 6 months on a property in which you and your family will be living. Failure to do so will mean a place will not be held for your child.

Allocation of places

Children who have an Educational Health Care Plan (EHCP) which names the Academy as the appropriate provision will be admitted ahead of all other applicants.

Oversubscription Criteria

When there are more applications for places than there are places available, priority would be given in the following order (see definitions at Annex B):

	Buckinghamshire schools	Milton Keynes schools	Northamptonshire schools
1	Looked after and all previously looked after children	Looked after and all previously looked after children	Looked after and all previously looked after children
2	Children who have a sibling(s) who will be in attendance at the time of admission and live in the defined catchment area, of the academy they are applying to. Proof of permanent residence may be required. Proof of permanent residence may be required.	Children of Trust staff who wish their child to attend the school they work at. See definition of staff.
3	Children who live in the defined catchment area, of the academy they are applying to. Proof of permanent residence may be required. 4	Children of Trust staff who wish their child to attend the school they work at.	Children who have a sibling who will be in attendance at the time of admission and live outside the defined catchment area (where there is one) of the academy they are applying to.	Other children
5	Children who have a sibling who will be in attendance at the time of admission and live outside the defined catchment area (where there is one) of the academy they are applying to.	Children of Trust staff who wish their child to attend the school they work at. See definition of staff	
6	Other children	Other children	

If the published number is exceeded, priority will be given to those who live closest to the school using a recognised mapping system. If two or more applications cannot be separated then places will be allocated using a random allocation system. **Local Authority systems may vary so please check.**

Late Applications: Applications received after the published closing date will be treated as late applications. Only in exceptional circumstances, and where appropriate evidence is provided, will those applications received after the closing date (but before offers of places have been made) be considered concurrently with those applications received on time. The circumstances which might justify a late application include, but are not restricted to, the illness of a single parent/carers which might have reasonably impinged upon their ability to submit an application on time or where a family has just moved into the area.

Waiting Lists: Following an unsuccessful application, parents/carers can request that their child's name be placed on the waiting list. Waiting lists are held for all year groups by the Local Authority. Waiting lists will be set up in the week following the letters being sent to parents. As places become available, the child highest on the waiting list (the waiting lists will be re-ranked once a place becomes available, according to the oversubscription criteria for the school and priority will not be given to those

who applied first or were added to the waiting list first) will be offered the place. This is not dependent on whether an appeal has been submitted. **Your Local Authority may require you to reregister your child on a waiting list each term so please check.**

Admissions of children outside normal age group - not summer born: If you wish your child to be considered for admission to a year group which is outside their normal age appropriate year group, then you must complete either the Local Authority common application form or the in-year admission form, as appropriate by the Local Authority and have had agreement from the Academy in writing that they are in agreement with the request. Suggested forms of evidence for such requests are:

- Evidence to show that the child is currently or has previously been educated outside the normal age group and/or they may naturally have fallen into a lower age group if it were not for being born prematurely.
- Letter from the Headteacher at the child's current school outlining the level of work undertaken, the progress being made and evidence that the child will learn more from being in a group that is outside their normal age group.
- Letter from the Headteacher at the child's current school regarding the child's social and emotional development and the likely impact of the admission.
- Existing professional assessment reports either from the LA's educational psychologist or an independent educational psychologist.
- Medical history of the child along with a letter from the Consultant/GP outlining the benefits of admission outside their normal age group.

Admissions of children outside your normal age range - summer born (1 April-31 August): If you wish to delay your child starting school by a full year and wish them to attend reception the following year then this must be agreed in writing by the Academy, but your application will be considered equally with the following year's reception intake. There is no guarantee that there will be a place for the following year. **Please check the Local Authority you are applying to for the process for doing this.**

Appeal Arrangements: All appeals will be co-ordinated by the Trust with the relevant Local Authority. Where an Academy is unable to offer a place because the academy is oversubscribed, parents have the right of appeal to an independent admission appeal panel, set up under the School Standards and Framework Act, 1998 as amended by the Education Act 2002. Parents should notify the Academy as soon as possible after receiving the letter refusing a place, if they want to appeal. Parents will have the opportunity to submit your case to the panel in writing and also to attend in order to present your case.

Fraudulent or Misleading Applications: The admissions authority (or the Local Authority processing an application on behalf of the admission authority) has the right to investigate any concerns about an application and to withdraw the offer of a place if it is considered that there is evidence that an applicant has made a fraudulent claim or provided misleading information.

Conflicting Applications: The Local Authority can only process one application. Where more than one adult shares parental responsibility, and if the adults live at different addresses, it is important that an agreement be reached on which schools to apply for, prior to making the application. If multiple applications are received for the same child with conflicting address and/or preferences, or the School Admissions Team is made aware of a dispute between two parents, all applications will be placed on hold and will not be processed until:

- a new single application is made, signed by all parties;
- written agreement is provided from both parents indicating which application they have agreed on, or
- a court order is provided confirming which parent's application carries precedence.

If no agreement can be made, parents are recommended to seek legal advice. If an agreement cannot be reached before the closing date, this may affect the chances of your child being allocated a place at your preferred school(s).

Annex A - Applying for a Nursery Place.

Please talk directly to the school where the nursery is located for an application form for nursery provision.

The Trust Academy Nurseries, with their additional care sessions and lunch clubs, have been established to offer extended care for the neighbouring and wider community of each of our schools. These facilities on the academy sites are offered to complement academy life and other additional educational activities which are already part of the extended provision.

Bourton Meadow	children can be registered for a nursery place after their 2 nd birthday after which they will be placed on a waiting list
George Grenville	children have to be 18 months old to be registered for a nursery place
Lace Hill	children can be registered for a nursery place on their 3 rd birthday
Lumbertubs	accept applications for a nursery place for children of any age
Moorland	accept applications for a nursery place for children of any age
Spring Lane	accept applications for a nursery place for children of any age

Parents can request up to 5 free education sessions each week of 3 hours in the morning and the afternoon. The combination of these sessions are flexible and we try wherever possible to accommodate parents who may want to go to work or access training.

Parents are strongly encouraged to take up to 5 sessions or more as we feel that this benefits children's social, emotional and intellectual development and preference will be given to those requesting at least 5 sessions a week.

Along with the education sessions parents may also purchase additional sessions and/or lunch club sessions. This means that at:

Bourton Meadow	Nursery children can start at 8.30am, have lunch at school and remain at school until 3.30pm. Preference is given to parents wanting a greater number of sessions.
George Grenville	Nursery opens from 8.45am to 3.05pm in line with the school day. Preference is given to parents wanting a greater number of sessions.
Lace Hill	Nursery children can start at 8.35am to 3.15pm. Preference is given to parents wanting a greater number of sessions.
Lumbertubs	Nursery children can start at 8.30am, have lunch at school and then remain at school until 3.30pm.
Moorland	Nursery children can start at 8.30am, have lunch at school and continue until 3.00pm.
Spring Lane	Nursery children can start at 8.45am, have lunch at school and continue until 3.30pm.

At **Bourton Meadow, Lace Hill and Lumbertubs Nurseries** children are eligible for care sessions, places permitting, from the start of the term they turn three. They become eligible for the free education sessions the term following their third birthday.

At **George Grenville Nursery** children are eligible for care sessions, places permitting, when they turn two and become eligible for education sessions the term following their third birthday.

At **Spring Lane Nursery** children are eligible for care sessions in the term after their second birthday, dependant on funding.

At **Moorland Nursery**, if there are places available, children will be admitted the term before they are three.

Admissions Criteria

The following criteria will be taken into consideration, in the following order, when allocating places in the Bourton Meadow, George Grenville, Lace Hill, Lumbertubs and Spring Lane and Moorland Nurseries:

1. Age of child
2. Children of academy staff
3. Catchment area of the academy, where there is one
4. Child already accessing care sessions
5. Siblings in the nursery
6. Siblings in the linked academy
7. Special circumstances that can be discussed on an individual basis

All other policies and procedures are covered by those already in operation at Bourton Meadow Academy, George Grenville Academy, Lace Hill Academy, Lumbertubs Primary School, Spring Lane Primary School and Moorland Primary School.

Please note, **fees** are calculated and invoices issued, to be paid in advance each half term as stated in our Nursery Terms and Conditions unless other arrangements are made with the school.

Please note that a place in the nursery class does not mean automatic entitlement to a place in your preferred school and it must be applied for as part of the admissions policy.

Annex B – Definitions

According to the Schools Admission Code September 2021 [School Admissions Code 2021](#)

Catchment Area School:

A geographical area, from which children may be afforded priority for admission to a particular school.

Home Address (Child's):

The child's home address is defined as the address at which the child normally resides with their parent/carer on the closing date for applications (15 January).

When we refer to a child's home address, we mean the permanent residence of the child. This address should be the child's only or main residence which is:

- owned by the child's parent(s)/carer(s) or
- leased to or rented by the child's parent(s)/carer(s) under a lease or written rental agreement of not less than six months' duration.

When parents live separately and the child spends time with each parent, the home address will be treated as the place where the child sleeps for most of the school week (i.e. Sunday night – Thursday night inclusive). If the child spends equal amounts of time at two addresses, the parents must agree which address they wish to be the child's main address.

Documentary evidence of ownership or rental agreement may be required together with proof of actual permanent residence at the property concerned.

Looked after child:

A 'looked after child' is a child who, at the time of making an application to a school, is:

- a) In the care of a local authority, or
- b) being provided with accommodation by a local authority in exercise of its social services functions (see the definition in Section 22(1) of the Children Act 1989)

Previously Looked After Child:

Previously looked after children are children who were looked after, but ceased to be so because they:

- a) were adopted under the Adoption Act 1976 (see Section 12 adoption orders) or the Adoption and Children Act 2002 (see Section 46 adoption orders), or
- b) became subject to a child arrangements order (as defined in Section 8 of the Children Act 1989 and as amended by Section 12 of the Children and Families Act 2014), or
- c) became subject to a special guardianship order (see Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians)).

This includes children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

Sibling:

Is defined as a child's brother or sister. A sibling must be living at the same permanent address and as part of the same family unit (one or two parents plus children) to qualify under this criterion. For School Admissions purposes, the term sibling includes:

- Half-brothers and half-sisters
- Step-brothers and step-sisters
- Adopted children
- Children in foster care
- Children living in the same family unit, even if they are not biological brothers and sisters – for example when the parents are not married/in a civil relationship.

Cousins are not regarded as siblings.

Multiple Birth Groups:

In the case of twins or other siblings from a multiple birth, if the last child to be admitted is from a multiple birth group, the other children in the group will also be offered places, even if it means exceeding the Published Admission Number (PAN).

In the case of siblings (see definition above) in the same year group, where there is only one place remaining which is to be offered to one sibling, the other too will be offered a place.

Staff:

Children of staff at **the school to which they are applying**, in either or both of the following circumstances:

- Where the member of staff has been employed at the school for two or more years at the time which the application for admission to the school is made, and/or
- The member of staff is recruited to fill a vacant post for which there is a demonstrable skills shortage.
