

Moorland Primary School
& Nursery

What a start to the year!

We have raised money and awareness for causes that are important to our families.

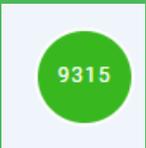

We have recognised and celebrated success, in all its forms.

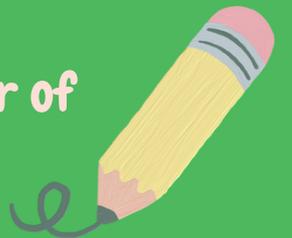

We have welcomed Campfire VIPs, Governors and visitors, with pride.

We have voted for our new school council and wellbeing ambassadors.

We have beaten our own record for the number of Greens on Trackitlights.

We have experienced the theatre and watched a film in our PJ's.

We wanted to say....

thanks
for your
support

it is appreciated.

Parent Feedback

Thanks to everyone (nearly a quarter of the school!) who completed our survey at parents' meetings. We are delighted to share the results:

BACK TO SCHOOL

TUESDAY

 **Communications** 

We have seen a large increase in the number of parents and carers who are emailing Mrs Garner or Mrs Carson directly, as a first point of contact, when there have been queries or questions. Can we politely remind you that the class teacher is always the first point of contact. They will then signpost you, where needed, to the wellbeing team, SENDco or senior leaders.

As you can imagine, school inboxes receive over 100 emails a day. In order to ensure your message is heard promptly, we would ask you to speak to the class teacher.

Halloween safety tips...

TRICK OR TREAT

Safety Tips

1

Costume Coolness: Pick a super cool costume that shines bright, like a glowing superhero or a sparkly fairy! Make sure it fits just right so you don't trip when you're out trick-or-treating.

Buddy System: Always go trick-or-treating with a buddy or a grown-up! If you're older and going with friends, tell your family where you're going and when you'll be back, just like a superhero checking in!

2

3

Watch for Cars: When you're walking around, stick to the well-lit streets and use crosswalks to cross the road. Always look both ways like a wise owl before you cross!

Candy Check: After a night of collecting treats, let a grown-up check your candy before you dig in. If anything looks weird or is opened, toss it out like a ghost escaping the haunted house!

4

5

Pet Protection: Keep your furry friends safe and sound at home. They might get scared with all the costumes and noise! Make sure they're comfy inside while you go on your spooky adventure.

YEARS

Our Falcons enjoyed one of our first Enrichment opportunities of the year by having the chance to design and carve their own pumpkins.

It was messy...but worth it!

They worked in teams and we think you'll agree, they did a fabulous job!

They lined them along the school path at home time to help signpost our Spooky Sweets Sale.
