

Moorland Primary School & Nursery

Issue 1 Spring 1: January 9th

our first week in 2026!

What an opening week!

We were thrilled to see so many smiling faces on Tuesday morning! We hope everyone enjoyed a restful break and returned feeling refreshed and ready for the new term.

The children settled in beautifully and showed an eagerness to learn right from the start. The whole school has been buzzing with excitement as both children and staff dive into new topics and units.

We're looking forward to sharing updates on their progress later in the term and can't wait to see the first signs of spring alongside the green shoots of success in every child.

For the first time this year, we celebrated TWO classes achieving 100% attendance this week - let's hope this sets the bar for the rest of the term... Well done Foxes & Skylarks! As you will know from our Autumn Attendance update, we are working hard to meet the National expectations and appreciate your support in making sure all our pupils are here every day.

LOCAL WALK

Our Hedgehogs class braved the elements on Tuesday to enjoy a local walk as part of their English and Geography curriculum. They were in search of local landmarks as they are studying both our local area and the wider areas of Milton Keynes.

They walked around Beanhill and visited some favourite spaces such as the Tin Man Park and the shops!

They were full of chatter about the things they saw and were able to identify lots of features around the estate.

The Tin Man park was my favourite place.

There are lots of trees and open spaces on Beanhill.

Beanhill is a busy place to live.
