

# HALF TERM!

**It has been a wonderfully busy and successful half term! The children have worked incredibly hard, completing their assessments (SATs) with fantastic effort and determination we are very proud of them all.**

**Our Year 6 pupils have marked an important milestone with their leavers' photos, and their leavers' books are now on their way, which is always an exciting time.**

**We have also enjoyed some fantastic enrichment opportunities, including visits from inspiring organisations such as Harry's Rainbow, as well as wonderful performances from the Music Service.**

**Alongside this, the children have been enthusiastically practising for our upcoming school play, we cannot wait to share it with you! To finish the half term, we've been making the most of the sunny weather, enjoying our new outdoor equipment and spending some valuable time learning and playing outside.**

**Well done to everyone for such a positive and productive half term!**

# Moorland's Question of the Week!

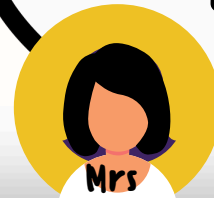

No - we can't even look after the playground we have got properly. Who would look after a garden?

Mrs  
Bull

Yes - what a great opportunity to learn about plants and healthy eating

Mrs  
Garner

## Should we have our own school garden?

No - we should use the space for playing in. We've only got a small outdoor area as it is.

Miss  
Norfolk

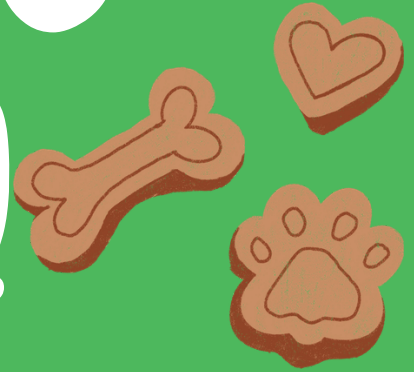

maybe but it is hard work! I like the idea of it but who is going to do the weeding, the watering and the looking after of it?

Mrs  
Carson
