

THIS WEEK AT MOORLAND

Our Early Years children had a wonderful time welcoming Ark Farm, who brought along a delightful selection of friendly animals for the children to meet and learn about. The visit included a dog, a pig, a donkey, chickens, ducks, and even a soft bunny rabbit.

The children were excited to see the animals up close and thoroughly enjoyed the hands-on experience. They learned about how to care for different animals, what they eat, and where they live. There were lots of smiles, gentle strokes, and memorable moments as the children built their confidence around the animals.

This engaging and interactive session supported the children's understanding of the natural world while encouraging kindness, curiosity, and respect for living things. It was a very special visit!

Moorland's Question of the Week!

18

I think learning inside is better because it's quieter and there are fewer distractions. We can concentrate more easily and use all our classroom tools like whiteboards and books

I think we should do both. When the weather is nice, we could go outside for some lessons and stay inside for others. That way we get fresh air but still have the classroom when we need it

Is it better to learn indoors or outdoors when the weather is nice?

Miss

Mrs
Carson

I think learning outdoors is better when the weather is nice because it's more exciting and we can move around. Being outside can make learning feel like an adventure instead of just sitting at a desk.

I think it depends on what we are learning. Some subjects, like science or PE, could be better outside, but things like maths or writing might be easier to do inside

You can now order school lunches for the term, please do not forget to get all school lunches ordered.

We have STORY CAFE on Story Café in hall 8.45-10.30 (Owls)

FOREST SCHOOL IS NOW UP AND RUNNING

Our Forest School and outdoor climbing frame is now up and running, and we are delighted to share that all year groups will have access, and the opportunity to explore and learn in this exciting outdoor environment.

We have welcomed the ENTIRE team who have worked hard to help get this up and running. We are looking forward to seeing the children develop their confidence, curiosity, and love of the outdoors through these wonderful experiences.

MOORLANDS SPORTS DAY

This years sports day will take place on Monday 13th July for Early Years! and Tuesday 14th July for Years 1-6!

Please come along to support this year's Moorlands Sports Day!

Early Years (13TH JULY) - 1.30-2.30pm

Years 1-3: 9:30am - 11:00am

Years 4-6: 1:30pm - 2:45pm

We would love to see as many of you there as possible to cheer on the children and celebrate their efforts. Your support really makes a difference!

For Years 1-6 each child will be assigned to a group with a colour theme. Children will be able to find out their groups in their classrooms over the next few weeks. Please ensure your child wears something to represent their team colour on the day!

Letters with further information will be sent out over the coming weeks.

Well Done

girls

A very special well done to Sophie B, Kencia, Danielyn, Lottie and Shalom for their fantastic dance performance in assembly. The girls showed great confidence and did an amazing job we are incredibly proud of them! Their hard work and enthusiasm truly shone through. Keep up the brilliant work!

Starting next week, we will be setting up a stall in the school playground every Thursday, under the canopy.

The school gates will open at 2:50 pm, giving parents and carers the opportunity to come in and have a look.

The stall will offer a range of spare school uniform items, and everything is completely free.

We hope this will be a helpful resource for families.

Please feel free to stop by and take what you need.
